

• I am learning my addition facts to 10 by heart.  
 • I understand that you can add numbers in any order, and you'll still get the same answer.  
 • I can fill in a graph and tell you about it.

Grade 1 Work Place 3A Drop the Beans  
 CCSS Content Strands: Operations & Algebraic Thinking,  
 Measurement & Data

Grade 1 Work Place 3A Drop the Beans  
 CCSS Content Strands: Operations & Algebraic Thinking,  
 Measurement & Data

- I am learning my addition facts to 10 by heart.
- I understand that you can add numbers in any order, and you'll still get the same answer.
- I can fill in a graph and tell you about it.

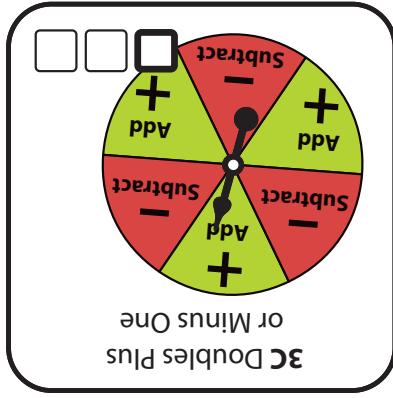

• I am learning my addition facts to 10 by heart.  
 • I can use strategies to add with sums to 20.  
 • I understand that you can add numbers in any order, and you'll still get the same answer.

Grade 1 Work Place 3B Make the Sum  
 CCSS Content Strand: Operations & Algebraic Thinking

Grade 1 Work Place 3B Make the Sum  
 CCSS Content Strand: Operations & Algebraic Thinking

• I am learning my addition facts to 10 by heart.  
 • I can use strategies to add with sums to 20.  
 • I understand that you can add numbers in any order, and you'll still get the same answer.

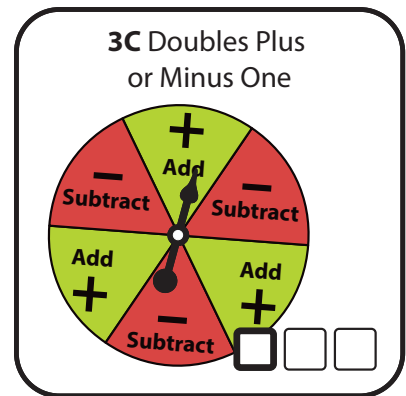

- I can use strategies to add with sums to 20.
- I can count backward to solve subtraction problems.

Grade 1 Work Place 3C Doubles Plus or Minus One  
 CCSS Content Strand: Operations & Algebraic Thinking

Grade 1 Work Place 3C Doubles Plus or Minus One  
 CCSS Content Strand: Operations & Algebraic Thinking

- I can use strategies to add with sums to 20.
- I can count backward to solve subtraction problems.

- I can come up with different combinations for numbers to 10.
- I am learning my addition facts to 10 by heart.

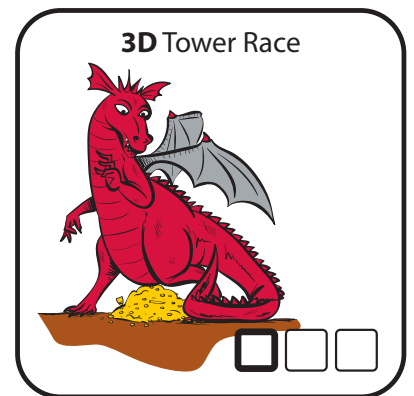

## Grade 1 Work Place 3D Tower Race

CCSS Content Strand: Operations & Algebraic Thinking

## Grade 1 Work Place 3D Tower Race

CCSS Content Strand: Operations & Algebraic Thinking

- I can come up with different combinations for numbers to 10.
- I am learning my addition facts to 10 by heart.

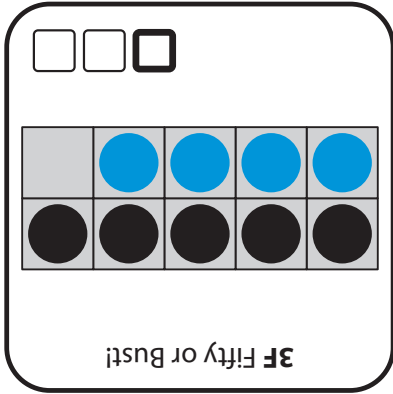

- I can add and subtract to 10.
- I can use  $>$ ,  $=$ , and  $<$  symbols to compare numbers.
- I can fill in a graph and tell you about it.

Grade 1 Work Place 3E Cats & Mice  
 CCSS Content Strands: Operations & Algebraic Thinking,  
 Number in Base Ten, Measurement & Data

Grade 1 Work Place 3E Cats & Mice  
 CCSS Content Strands: Operations & Algebraic Thinking,  
 Number in Base Ten, Measurement & Data

- I can add and subtract to 10.
- I can use  $>$ ,  $=$ , and  $<$  symbols to compare numbers.
- I can fill in a graph and tell you about it.

• I can use the Add Tens strategy to solve addition facts to 20.  
• I can group and count objects by 10s.

Grade 1 Work Place 3F Fifty or Bust  
CCSS Content Strands: Operations & Algebraic Thinking,  
Number & Operations in Base Ten

Grade 1 Work Place 3F Fifty or Bust  
CCSS Content Strands: Operations & Algebraic Thinking,  
Number & Operations in Base Ten

• I can use the Add Tens strategy to solve addition facts to 20.  
• I can group and count objects by 10s.
